Bishops of Rochester

Mooney welcomes the seventh Bishop of Rochester . . . Joseph L. Hogan. He has come to us with an outgoing personality, a warm heart and an optimistic outlook on the future of Rochester. We hope he will have the best of luck in his new position.

We shall always remember Bishop Kearney's visits to Cardinal Mooney. He provided many of the students with guidance and loving assistance. Our fondest wishes are with him always.

As we begin a new decade of life in America, we dedicate the 1970 Apogee to our land and its people.

To all of those who have lived, worked, and died to keep us free, we give thanks.

With all of those who, in the 70's, will continue to believe in America's potential and the ideal of freedom, we join our own efforts.

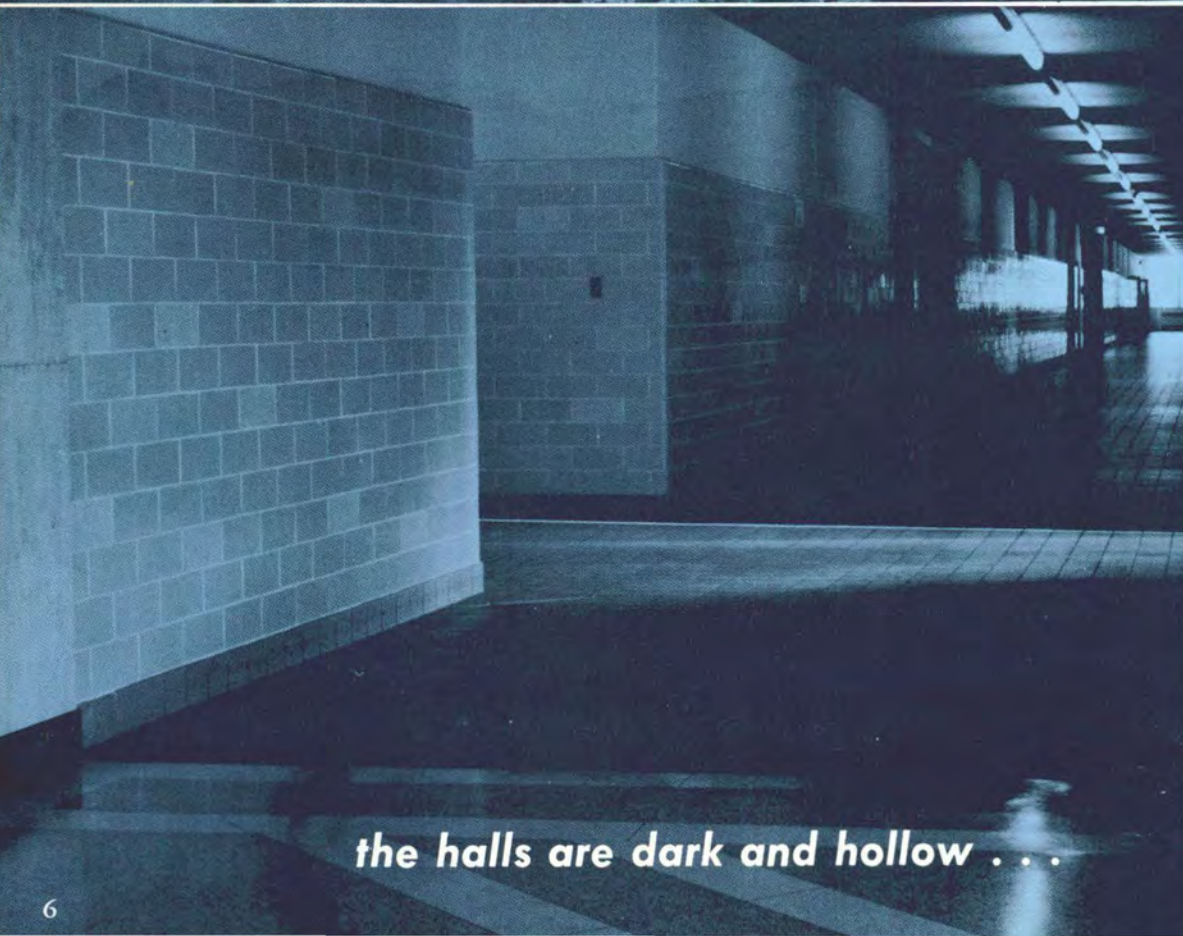

It is our hope that these ten years will produce an America which is truly the land of the free and the home of the brave.

Each day after everyone has left, an empty structure remains where Cardinal Mooney High School lived only a few hours before . . .

Mooney Pays Tribute to a Great Man

"In my long association with Brother Josaphat, I found him a sincere and dedicated Brother of Holy Cross. This was personified in the rich religious life he lived daily. Naturally, this, together with his keen ability as an administrator, had its impact on all who came in contact with him."

BROTHER CHARLES KOCIOLEK, C.S.C.

"Brother Josaphat impressed me as a very down-to-earth person. He was a fine principal, mainly because he expressed a deep and sincere concern for the welfare of the school and everyone in it."

LARRY PITONI, President of the Class of 1970

"He successfully infused idealism with practicality, which results in an unbeatable combination. Only great people can do this."

MRS. KAREN ROONEY

"Brother Josaphat could be said to have exemplified the three R's of life: Respect, Responsibility, and Religion."

MR. JAMES CUNNINGHAM

"I admired the consistency of Brother Josaphat's living of his principles. I deeply respected the completeness of his dedication to religious life and to Catholic education."

"His concern for justice and honesty was tempered always by an innate kindness."

"Brother Josaphat demanded continuously and greatly of himself. He expected dedication from others, but never demanded that they meet his goals his way before respecting or encouraging them."

SISTER PATRICIA MILLERICK, R.S.M.
with area pastors

"In his own way, he was involved with the students. He was a quiet man with well-thought-out plans, as was displayed in his principles and in the way he did his work and made decisions. I think he felt that time would let him accomplish everything."

DAVE MALONEY, President of the Class of 1972

"It is impossible to measure the full impact of Brother Josaphat's giving. We often discussed this giving in his five short months at Mooney. He belonged to many people: to Mooney, to Uganda, to the Brothers of Holy Cross. Because he was so willing to give his life, I feel that to us at Mooney, his death has served a certain purpose."

SISTER M. MAUREEN, R.S.M.

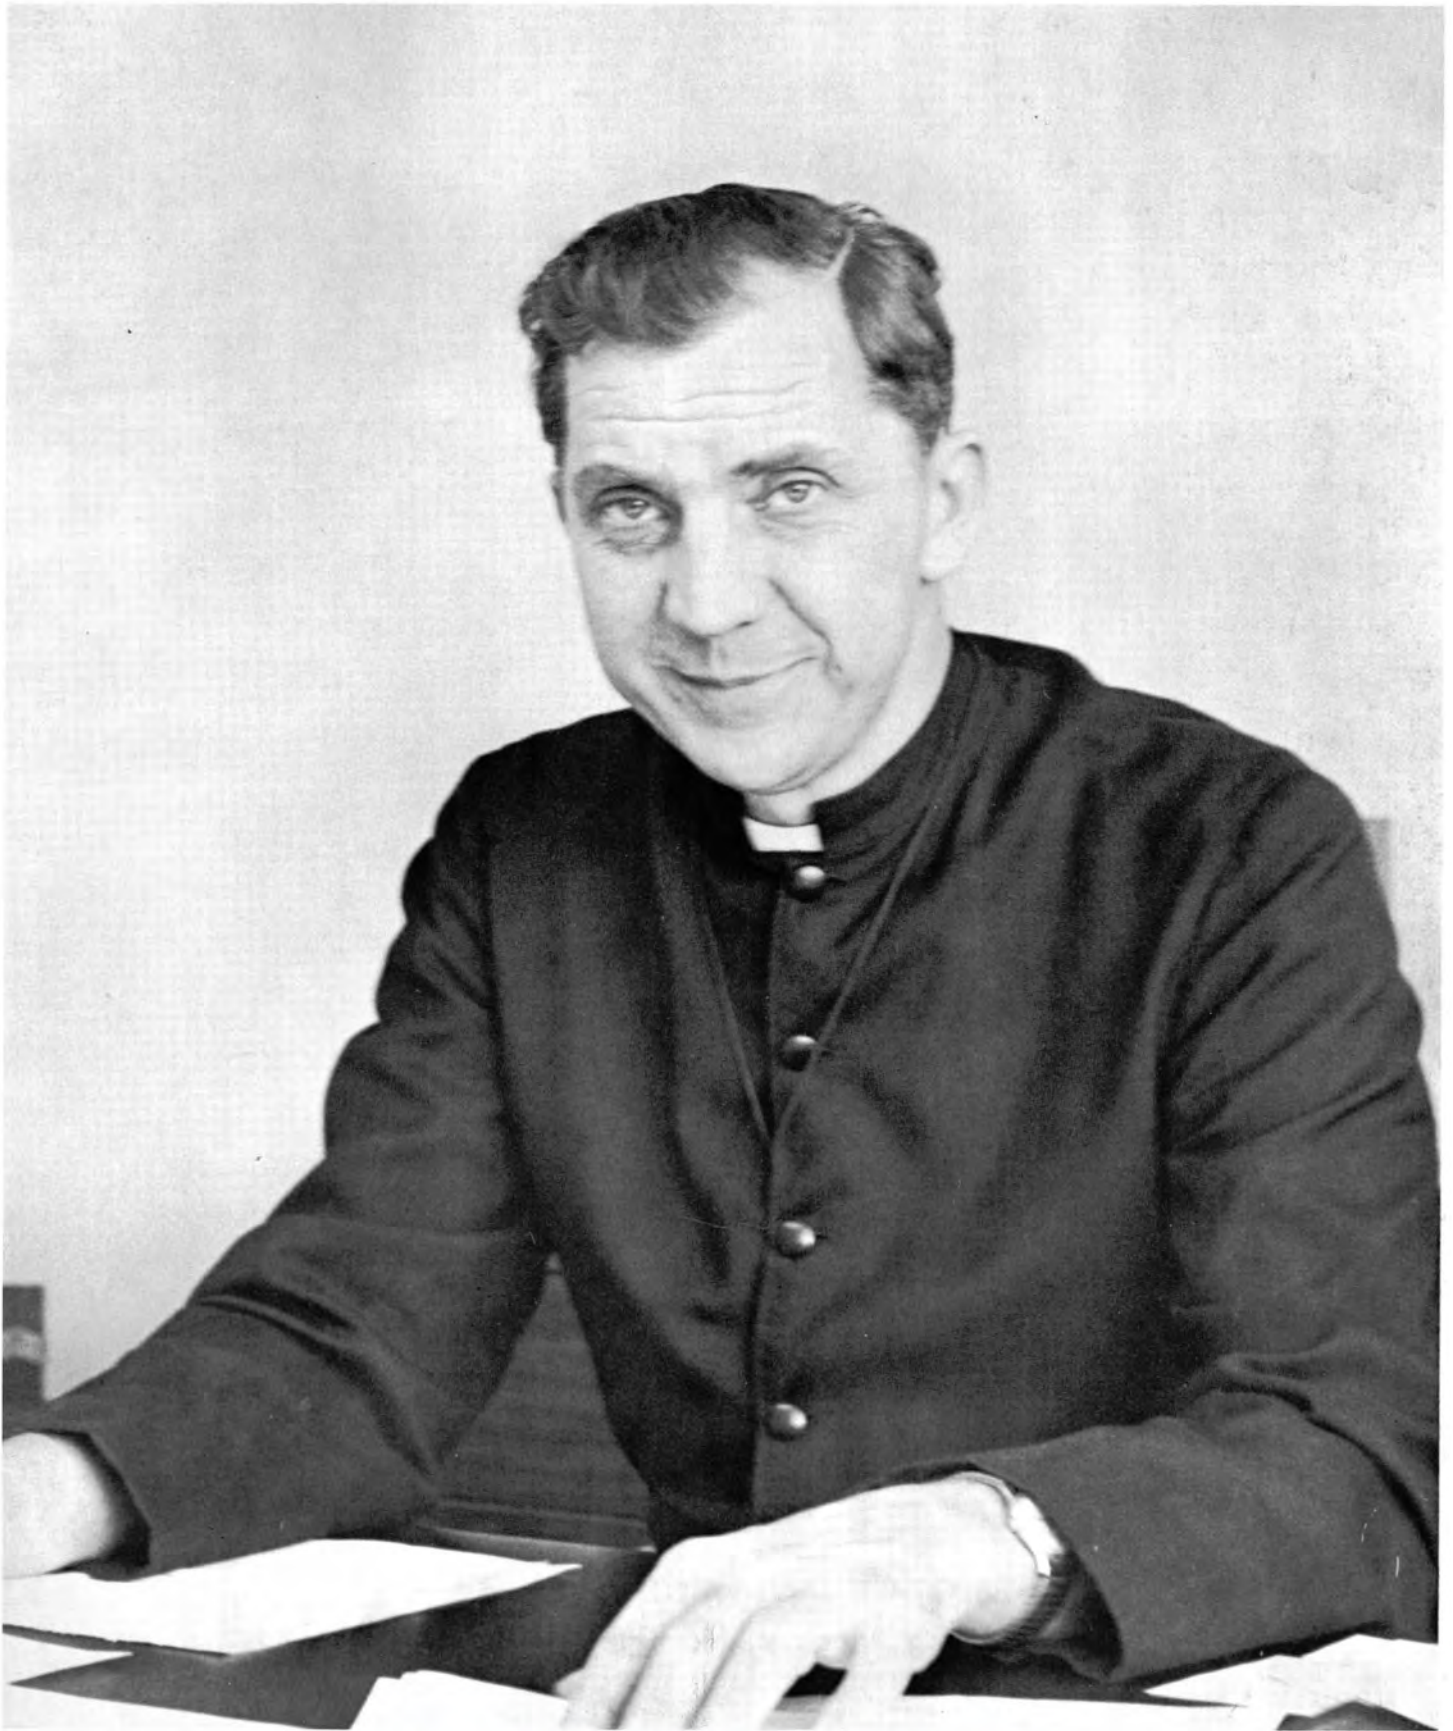

Bishop Hogan concelebrates Funeral Mass at Mother of Sorrows Church with area pastors. Mooney students attended the ceremony on the Saturday following Brother's death.

"Perhaps Brother Josaphat was sent to us to spark an ideal — and maybe, too, that's why he was taken from us — to make us realize that we must take this ideal onto ourselves and make it a reality."

THERESE HOFMANN
Co-editor of the CREST

BROTHER JOSAPHAT CHMIELEWSKI, C.S.C.

May 20, 1925 - November 26, 1969

The sudden death of our new principal will not soon be forgotten by the students and faculty of Cardinal Mooney. But what we shall remember far longer than that Wednesday afternoon in late November is the kindness, the honesty, and the good humor which personified this man.

BROTHER JAMES DE TEMPLE, C.S.C.

Acting Principal: November - March

Appointed Principal: March 23, 1970

Upon the death of Brother Josaphat, Brother James De Temple became the acting principal. In such trying times as these, the responsibilities of the job were greatly enlarged. He has effectively executed this task and we, the students and faculty of Mooney, appreciate his efforts on our behalf. We extend to him our sincere best wishes during his future years at Mooney.

SISTER M. MAUREEN, R.S.M.
Vice Principal

During Sister Maureen's two years at Mooney, she has shown her ability to move creatively and positively along the lines of Catholic education. We appreciate her concern for and interest in us, which have been demonstrated through improvements in many aspects of school life.

In Memory of Paul Hank, Class of 1969

Died June 8, 1967

Life is strange; no one knows what to search for, or what to expect. Everyone must be himself, and take each day as it comes.

Paul did search for the essence of life. At every minute of his existence, he reached out, he grasped that particular moment of living as his own. Playing football, laughing with his friends, or just merely being himself were all good times as Paul lived them. Paul and his wholeheartedness will always live on in the hearts and minds of all who knew him.

— RHEA SANTAY '70

"What has Life lost by the Happiness which might have been his, had he been allowed to go on living? What has it gained by the suffering he has escaped?"

"What nonsense I'm talking.

"Life is measured by the living, and the number of a man's days are reckoned in other terms . . ."

These well-known personalities were among the top contenders for the honor of having the yearbook dedicated to them. Throughout the year, these individuals have displayed unforgettable feats of strength, performed unbeatable works of mercy, and shown all-around greatness. Notice how devoutly each is praying that he will be chosen. Sorry, maybe next year!

EPILOGUE

As the school year closes, we realize that we must say goodbye. Our paths must separate. Our hearts are heavy.

And as we leave, we know we must say thank-you to Cardinal Mooney . . . and to each other.
